to go it alone in business gives you the tools you need to start your own small business, or totally rejuvenate one that 's been ticking along for years.

### Small business book: Flying Solo How to Go It Alone in ...

The amount of flight time accrued before solo is entirely an individual matter, influenced by frequency of lessons and luck with weather. I have sent students to fly solo in six hours and in 40 hours--it all depends. There was once a tacit understanding that a student would solo after eight hours of dual, or else someone wasn't doing their job.
